Everyone who attended last year's dinner had a great time. Let's make this year's dinner better. Each Pack, Troop, and Crew is responsible for nominating a leader from their Unit to receive a special Unit Commendation, as well as for nominating leaders for other leader awards. The dinner is a great opportunity to say thank you to the leaders and parents who work so hard for your unit. Invite them to come to the dinner and have a great time.

Reservations must be made by Friday, September 10, 2010. Tables for 10-12 people may be purchased by units. Please fill out a list of attendees from your unit on the reverse side and turn in with your payment. Thank you.
